# Master Of Natural Stone

**HUROK MARBLE**  
Master of Natural Stone Since 1981

## About us

Hurok Marble, established in 1981, is one of the leading companies in the natural stone industry. We create aesthetically elegant and distinctive products by combining the heritage of ancient civilizations with the latest production technologies.

Our production facilities are located in the city of Kütahya, Turkey, with 24,000 m<sup>2</sup> of enclosed production space and 80,000 m<sup>2</sup> of open area, where we cut and package our premium-quality natural stone products. We operate a total of 120,000 square feet of well-organized U.S.-based distribution centers in South Florida, providing fast and efficient logistical support to our clients across the United States, Canada, Mexico, Central America, South America, and the Caribbean.

Sourced from well-known quarries, we produce high-quality travertine and marble products including slabs, tiles, pavers, pool coping, patterns, mosaics, and moldings in a wide variety of colors, shades, sizes, and finishes.

Every day, we develop new and exciting products to meet our customers' needs. Through meticulous quality control, we ensure the highest level of customer satisfaction. With your support and trust, we have become experts in natural stone. We look forward to welcoming you to our client base and building a long-lasting business relationship.

### Mission

To offer the extraordinary beauty of natural stone in accordance with international quality standards and customer expectations.

### Vision

By leveraging our extensive experience and advanced technological infrastructure, we strive to become a pioneer in our sector and one of the leading companies in our country, while maintaining strong environmental responsibility

## Mission

We offer the extraordinary beauty of natural stone at international quality standards in accordance with customer expectations.

## Vision

By utilizing our extensive experience and outstanding technological infrastructure, we eagerly aim to become the Pioneer in our sector, one of the leading companies in our country while respecting environmental values.
